3. **Treasurer's Report** – Wendy Tims presented the March and April treasurer's reports; however, Wendy stated that the April report will be amended at the next meeting because she got the amount for the Save Mart automatic deposit too late and there was a returned check error from the bank. Mrs. Fuson moved to approve the reports, John seconded, and the motion passed. The beginning balance for March was \$8249.80, and the ending balance was \$8079.37. The beginning balance for April was \$8079.37, and the ending balance was \$8095.94 (to be updated).
 - a. **Auditing Committee:** Jane Keller volunteered to do the audit this year, and we believe Kim Cooley will be the second person to check it as well. Wendy will get them all the treasurer's books after the close of the fiscal year.
4. **Membership Report** – LeAnn Saarem reported there are 63 members; however, there were two memberships that were received after the membership deadline, so we will hold on to their memberships for next year: Kim Arnold and Carol Hellwinkel. LeAnn and Mrs. Fuson will work together in August to plan next year's incentive package for joining PTSA. LeAnn will also work with NV PTA to get the membership cards early to distribute to new members at the back to school events.
